in case, your event is periodic: please create a new event for every date (especially facebook)

deadlines:	1.	online	15th of the previous month
	2.	printmedia (magazines)	15th of the previous month

the lineup should contain male and female artists. „only boys“ parties can be easiliy a bit lame and empty.

please help ACTIVE with promotion. empty events will make you and us loose money, fun and fame. Invite your friends, share events on various platforms, add updates, write to print/music mags to feature your event, ...

be creative and not in deep sleep – and also: please help to promote the events of other liquid sky berlin members. it doesn't hurt to like/share/forward them in order to reach more people. it's helpfull for all of us.
